## Message:

Dear Examiner Baxter:

S/N: 10/700, 179  
Filing Date: 11-3-2003

Following on our conversation of about a week ago, attached are "proposed" claim amendments for the above-referenced case. We understand that these claim amendments are only "proposed" in that they will not be made a part of the prosecution history unless agreed upon. With that said, per our previous discussion, I would like to arrange an Examiner's Interview with you, and it is my hope that the attached will facilitate our discussion. The inventor, Peter Janssen, will possibly participate in the interview as well.

Please call me to let me know a time that is convenient for you to conduct the interview. While I will be in the remainder of this week, I will be out of the office all of next week. As such, perhaps a time during the week of August 7-11 would work for you.

I will await your call. Thank you for your prompt attention to this matter.

Best regards,

Tom Pienkos
